#### THE MOST DISTINGUISHED ORDER OF ST. MICHAEL AND ST. GEORGE.

KNIGHT COMMANDER. Nominated Vice-Admiral Hon, Sir Anthony Maitland, K.C.B. . 26 Feb 20 COMPANION.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

#### REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having pre-viously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

Captain Joseph Cammilleri

- Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
- 3. The intention of a Foreign Sovereign. to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.
- 4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.
- If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
- 5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs

shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

1 Nov 52

- A similar reference shall also be made to the Commander-in-chief, if the applieation relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.
- . 6.. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order

has been conferred.

- 7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
- 8. Every such Warrant as aforesaid shall contain a Clause providing that Her-

Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly cousequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV, and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 They must be of these Regulations. rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

#### REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

Permission to wear a Foreign Medal cannot be granted to a British subject. unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

> (Signed) CLARENDON.

PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers; they therefore direct that the following be estab-lished accordingly: Chief Petty Officers .- Master-at-arms.

Chief gunner's mate. Chief boatswain's mate. Admirat's corewain Chief captain of forecastle. Chief quarter-master.

Chief carpenter's mate. Seamen's schoolmaster, Ship's steward. Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated at page 212.

Petty officers who enter for continuous service are to carry their denominations as chief, first, or second class petty officers from ship to ship; it being left open to the captains of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

Exmination for the rating of petty officers.—Scanner, before being promoted to the rating of petty officer, are to be examined by the following officers. the commander or senior insutenant, master, guinery lieutenant, and the warrant officer of the class required. In rating petty officers, a preservice, as given to men who have entered for continuous service.

officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-couldn't gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

#### PENSIONS.

All men and boys who enter or re-enter the Nary, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years service from the age of 18; instead of after 21 years service from the age of 20; as at present. Their Lordships also reserve to themselvers a discretionary power of awarding pensions of 6d, and a service of the service of the pension of the pensions of 8d. a day each, after 13 years service from the same age, to all men now in, or who may hereafter enter the Nary, whenever their Lordships may think proper to do so, All men who may be thus granted pensions after 16, 15, or 20 years service will be held liable, under the 12th clause of the Pensions Regulations (dated the 1st Juntary, 18-95), to serve Pensions Regulations (dated the 1st Juntary, 18-95), to serve war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in award-

ing the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years combined service, whenever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or hurst received on duty; that they shall have been discharged with the nating of patty officer; and that their character in suckrating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted on allowance of 14, 10s, 5d, a year (in lieu of 15s, 24d, 5f or each year he may have served as such; and a 2nd class petty officer 15s, 24d, a

year (in lieu of 7s. 7½d.) for each year served as such.

the advantages contingent upon the new terms of service, my
Lords desire that these advantages be distinctly explained to.

From the age of 16. Thus sentine may be granted pensions at the ages of 23, 33, and 38 respectively, instead of 43 44, the average age at which long service punsions are now

awarded.

These pensions will range from 9!, 4s, a year to 40!, a year,
The allowance for time served as a petty officer will, in
awarding pensions, be doubled to mon who enter for 10 years

continuous and general service.

Greater permanency will be given to a man's connexion with

the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

# GUNNERS, BOATSWAINS, AND CARPENTERS. My Lords highly appreciate the valuable services rendered

by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

The additional pay of warrant officers is to commence on the lat of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

#### COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, the Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Const-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Const-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commis-sioned boutmen being subject to the rule laid down in the foregoing clause.

going cause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of

thoroughly good conduct,

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional DUY.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy.

By Command of their Lordships,

#### NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance as a single of the consideration of the tentions, as a single of the flags of the state of the state tentions, as a single of the flags of the state of the state and the Majore pharing been pleased to approve of several of the suggestions submitted by the sold Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:

ist. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were Present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

and. From the commencement of the war in 1728, it was the practice of the Board of Admirally to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, confornably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1728, and ending in 18th, and now living, shall receive a medal commencative of their meriorious services; and they are required forthwith to state their claims for each action in (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admirally, London.

3rd. Her Majesty has also been pleased to take late ther gracious consideration the may instances of gallantity displayed by Officers, seamen, and marina is no gallantity displayed by Officers, seamen, and to direct that such services, if distinguished by the promotion of the Officer conducting the seamen, sainal entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the beats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the

great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entile those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the slege and capture of

Martinique in 1809, Guadaloupe in 1810, Java in 1811,

St. Sebastian in 1813, for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-opera-

tion of the ships to which the applicants belonged.

And 5th, Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Nay, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816, The battle of Navarino in 1827, and

The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, sensene, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious receiven a similar mark and of Her dealers to record the same; and all such Officers, sommen, and marines, are therefore, hereby called upon to annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admirally, London.

## APPENDIX.

### NAVAL RETIREMENTS.

### REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, provides :-

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 11. 5s. per diem, and the corresponding pension to their widows, under the

usual restrictions.

C.

B.

2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from D. the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1/. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11. 5s. per diem, and the remaining 75 11. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

### RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals:

this reduction will be effected as follows, viz .-

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

### CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

lst. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1845 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be

reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is

reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Halfpay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

#### COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

ord. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders pro-

moted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

#### LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz:

Difference Google

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Scrvice, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Ilalf-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenauts on the Active List shall

# FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30th JAN., 1856.

This Order in Council provides-

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to

be filled up, by selection also from the Active List,

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up.

by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

### THE MOST DISTINGUISHED ORDER OF ST. MICHAEL AND ST. GEORGE.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

### REGULATIONS RESPECTING FOREIGN ORDERS.

- No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.
- 2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
- 3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.
- 4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Pence.
- If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
- After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs

shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Jusignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

- 7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
- 8. Every such Warrant as aforesaid shall contain a Clause providing that Her

Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Gnelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

### REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

### REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the

usual restrictions.

B.

2nd, An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75 1l. per diem, with the right of assuming the

rank of Retired Rear-Admiral when entitled to it by Seniority.

# RETIREMENT UNDER THE ORDER IN COUNCIL OF 25th JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals:

this reduction will be effected as follows, viz .-

lst. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held addition to the Good Service Pension.

#### CAPTAINS.

The number of Captains on the Active List will be reduced to a number not per-

manently exceeding 350, and the reduction shall be effected as follows, viz.-

lst. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is

reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Halfpay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

#### COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement

open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders pro-

moted to be Captains.

VT.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

### LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated. The leading Google

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall'

be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

# FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30th JAN., 1856.

Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.
